# ADAMAR OF NEW JERSEY, INC. DBA TROPICANA CASINO AND RESORT NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE THREE MONTHS ENDED MARCH 31, 2003 AND 2002

### NOTE 1. DISCLOSURES NOT PRESENTED AND RECENT ACCOUNTING PRONOUNCEMENTS

Certain footnotes have not been presented in these Notes to Consolidated Financial Statements. These footnotes would be a duplicate of items contained in the Casino Control Commission Annual Report for the year ended December 31, 2002.

The specific footnotes not presented are the Summary of Significant Accounting Policies and Lease Obligations. The footnotes contained in the December 31, 2002 Annual Report should be read in conjunction with these financial statements.

In the first quarter of 2001, the Emerging Issues Task Force ("EITF") reached a consensus on certain issues in EITF 00-22 "Accounting for Points and Certain Other Time-Based or Volume-Based Sales Incentive Offers, and Offers for Free Products or Services to Be Delivered in the Future", which addresses the income statement classification of the value of the points redeemable for cash awarded under point programs. Per the consensus, the cost of these programs should be reported as a contra-revenue, rather than as an expense.

EITF 00-14 "Accounting for Certain Sales Incentives", which is effective January 1, 2002, focuses on the accounting for, and presentation of, discounts, coupons, and rebates. EITF 00-14 requires that cash or equivalent amounts provided or returned to customers as part of a single exchange transaction should not be shown as an expense but should be an offset to the related revenue.

Beginning September 30, 2002, the Casino Control Commission has required these classifications be made and accordingly, we have restated the comparable 2002 periods.

### NOTE 4. COMMITMENTS AND CONTINGENCIES

### Licensing

On November 26, 1982, the Company was granted a plenary gaming license by the New Jersey Casino Control Commission. The license is renewable every four years. The license renewal period is effective through November 30, 2003. Management has received no indication that future renewals will not be granted.

The Company is a party to various claims, legal actions and complaints arising in the ordinary course of business or asserted by way of defense or counter-claim in actions filed by the Company. Management believes that its defenses are substantial in each of these matters, and the Company's legal posture can be successfully defended or satisfactorily settled without material adverse effect on its consolidated financial position.

The New Jersey Casino Control Commission imposes an annual tax of eight percent on gross casino revenue. Pursuant to legislation adopted in 1984, casino licensees are required to invest an additional one and one-quarter percent of gross casino revenue for the purchase of bonds to be issued by the Casino Reinvestment Development Authority ("CRDA") or make other approved investments equal to that amount; in the event the investment requirement is not met, the casino licensee is subject to a tax of two and one-half percent on gross casino revenue. As mandated by the legislation, the interest rate of the CRDA bonds purchased by the licensee will be two-thirds of the average market rate for bonds available for purchase and published by a national bond index at the time of the CRDA bond issuance. The CRDA bonds have various contractual maturities that range from 11 to 44 years. Actual maturities may differ from contractual maturities because of prepayment rights. The Company's reinvestment obligation for 2003 and 2002, respectively, was \$1,174,000 and \$1,239,000 for the purchase

of CRDA bonds. The Company recorded a loss provision for 2003 and 2002 of \$2,000 and \$278,000, respectively. The loss provision is to recognize the effect of the below market interest rate the bonds would have borne had they been issued on March 31, 2003.

In May 1996, the Company completed construction on an expansion project. The expansion consisted primarily of a new 604-room hotel tower, with additional restaurant and support facilities in the existing operation. The Company has executed a credit agreement with the CRDA for approximately \$24,500,000 in funding for this project. The Company receives funds from the CRDA based on expenditures made for the project to the extent the Company has available funds on deposit with the CRDA that qualify for this funding. As of March 31, 2003, the Company received approximately \$24,200,000 in funding from the CRDA under this agreement and had approximately \$300,000 in available deposits with the CRDA that qualify and accordingly reclassified this amount to accounts receivable. The balance of funding will be realized from portions of future CRDA deposits.

In April 2002, the Company commenced construction on a major expansion project. The expansion will consist primarily of a retail, dining and entertainment complex along with a 502-room convention hotel tower. The Company has executed a credit agreement with the CRDA for approximately \$20,100,000 in funding in connection with this expansion project. The Company receives funds from the CRDA based on expenditures made for the project to the extent the Company has available funds on deposit with the CRDA that qualify for this funding. As of March 31, 2003, the Company received approximately \$15,300,000 in funding from the CRDA under this agreement and had approximately \$600,000 in available deposits with the CRDA that qualify and accordingly reclassified this amount to accounts receivable. The balance of funding will be realized from portions of future CRDA deposits.

At March 31, 2003, the Company had commitments of approximately \$130,000,000 for the Atlantic City Tropicana expansion project.
